## JANUARY 2017 NEWSLETTER

Hello and welcome to the first LSA newsletter of 2017, we hope everyone is back and ready for another exciting year. As always we have plenty of hotel and hospitality options for the whole of the Formula One season. We are now also working alongside Formula E so have options for all remaining races of the season.

### UP AND COMING 2017 RACES

#### MONACO 2017

Some of you may be aware that the Columbus was due to undergo a full renovation this year, we had hoped that it would be completed in time for this year's F1 but it isn't to be. In the interim, the hotel will be undergoing extensive maintenance work to maintain the standard of the hotel (no works will be taking place the week of the Grand Prix). Meeting rooms will now be available. There will be a pop-up restaurant in place for the week of the Grand Prix (more details to be confirmed closer to the time).

Good news is that the rates have been reduced to reflect the above. Should you require any further information please contact [Camille](#).
